

Organised by:

Supported by

Strength-based Socioemotional Learning for Youth with Social Emotional Behaviour Difficulties (SEBD)

Call out for all parents, teachers, caregivers and professionals!

Note to Parents, Teachers, and Caregivers:

This project is a 2-day experiential-based training, with the purpose of equipping adults with "strength-based" positive language methodology, and "movement-based" physiological and neurological regulation techniques to enable and empower our youth to turn their struggles or challenges into positive life learning opportunities.

Date: 15-16 July 2023 **Time:** 9:00 a.m. - 5:00 p.m.

Fees: PACE Member - Free | Others - RM50

Venue Option:

(1) Breakthru Academy Kuala Lumpur

(2) Breakthru Enrichment @ Little Sun Kiddyland Kajang

* The training will be conducted in English (Mandarin translation upon request).
